Junior Cycle Information Night

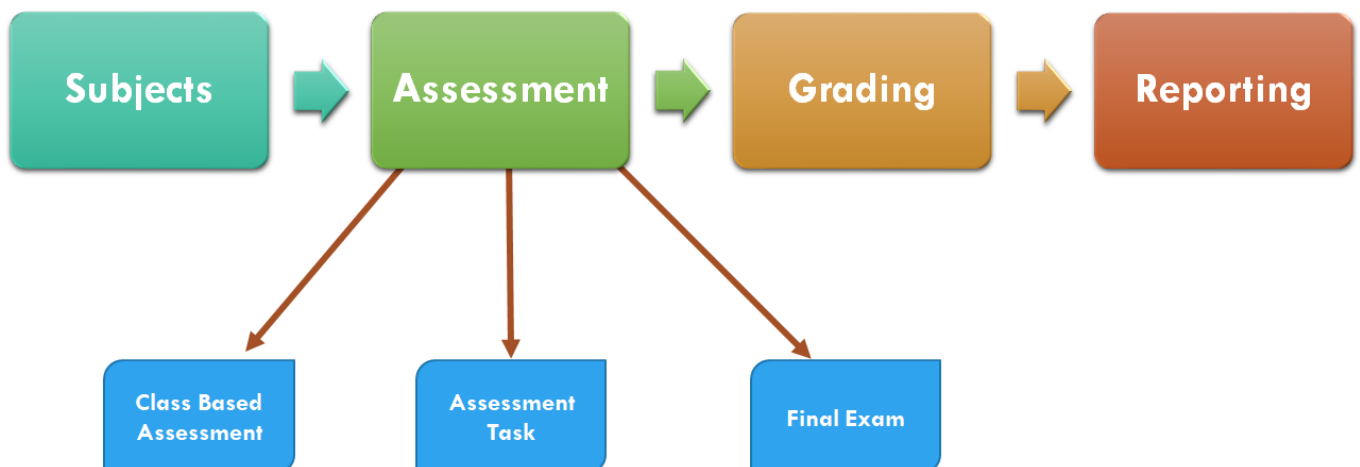

November 29th 2018

Thank you to all of those parents for their attendance and input in to last nights information session and discussion around Junior Cycle. It was a very engaging night.

One of the key points raised was the communication of dates of Class Based Assessments to parents. We began work this morning to put in place a process of communicating these dates to parents in a timely manner.

Attached are slides and the information booklet regarding Junior Cycle. Click on each link to download.

The presentation last night was structured as follows.
