We would love members of the public including team members and past-pupils to fill in any blanks regarding opposition/results etc. If you have old newspaper cuttings, photographs or memories of these games that you wish to share with us we would appreciate a copy for our own archives. Mr Kevin Bates has researched everything as much as possible by asking all teachers for their records and researching the old papers on microfiche film in Wexford Library.

The Roll of Honour is very impressive and may be of interest to the general public. Once completed the Roll of Honour will be displayed in the Sports Centre in future.

## Arrangements for distribution of –

Best of luck to each of the 150 young men collecting their results on Wednesday September 13th. In order to minimise disruption to the 680 students not collecting results the following arrangements have been put in place.

1. If your son is currently in 5th Year having completed Transition Year last year classes will continue as normal on Wednesday September 13th.
2. If your son is in Transition Year this year he has no classes on Wednesday September 13th. He can collect his results in the College at 11am and you should then bring him home.
3. If your son is currently in 5th year having completed his Junior Certificate last year he will have classes as normal on Wednesday September 13th until 11 am at which point results will be distributed. He can then, if he has your written permission, be brought home.

We restate our view that the best place for our young men to celebrate their results in a measured and responsible way is with their families who have supported them throughout these exams.

We expect full attendance in all year groups including Transition Year and Fifth Year on Thursday September 14th.

Good luck to everyone!
