

# Class Tutors

Each class has an individual Class Tutor while each year has a Year Head. The Class Tutor will have a particular concern for the well-being and academic progress of each student in this class.

Teachers act as class tutors in an entirely voluntary capacity and in doing so provide a valuable service as part of the pastoral care programme of the school.

The Tutor can advise and consult with individual students about their academic progress, general behaviour, appearance and observation of the school rules etc. The Tutor may also make contact with parents/guardians as deemed necessary.

An individual student can consult with the Class Tutor about any school related problem.
