We would love members of the public including team members and past-pupils to fill in any blanks regarding opposition/results etc. If you have old newspaper cuttings, photographs or memories of these games that you wish to share with us we would appreciate a copy for our own archives. Mr Kevin Bates has researched everything as much as possible by asking all teachers for their records and researching the old papers on microfiche film in Wexford Library.

The Roll of Honour is very impressive and may be of interest to the general public. Once completed the Roll of Honour will be displayed in the Sports Centre in future.

Finally, thanks to Mr Kevin Bates for researching and collating all of the results. If you have any further information please email it to info@goodcounselcollege.ie under the subject 'Roll of Honour'.
