

Sports facilities

Few schools can boast the range of sports facilities available in Good Counsel College.

With 5 full pitches, one of which is floodlit and used for rugby, the Fr Cosgrave sports centre with a full sized sports hall, a glass backed handball/racquetball court and a fully equipped gymnasium as well as 4 fully floodlit astro turf pitches and a double outdoor basketball/tennis court, the school can offer a wide range of sports activities.

The school also makes use of local resources such as the town swimming pool, local equestrian centres, Sheilbaggin Outdoor education centre, local golf courses and amenities such as JFK arboretum and Carrigbyrne Hill for orienteering and hiking.

More information on the school facilities and their availability to the public can be found in the [Public Sports and Fitness area](#) of our website.
