

What is the MOMO Challenge?

Click on the links below to download a fact sheet and Irish Times article for further information about the MOMO Challenge.

Remember in the unlikely event that your son is involved in the challenge he may be unwilling to share this information with you so please discuss the risks associated with this online 'game' and more broadly cybersafety.

In the unlikely event he is involved in the challenge he may be receiving messages through a number of social media platforms such as You Tube but in recent times the creators have been using SMS and Whats App in particular.
