

Aim of tonight

1. Provide students/parents with first-hand information about careers of interest.
2. Provide students/parents with opportunities to discuss various access routes to chosen careers with people actively working/studying in those areas.
3. Encourage students to consider a number of career options.

The night will be structured as follows:

- Matthew will focus on study, target setting, physical and mental wellbeing along with the importance of study/life balance.
- Each facilitator will have an assigned table where you can sit and chat with them about their career. Some areas of focus are identified below.
- Areas of Focus
 - What the profession/trade/business currently entails and the opportunities it presents.
 - The challenges faced in the profession/trade/business.
 - The access route to this career option and alternative routes to the same career.
 - The future of the profession/trade/business.
 - Any other relevant info.

There will be tea/coffee etc available in the Sports Hall throughout the evening.
