

Lockers

Mr Aidan O'Brien will distribute lockers to 1st Year students (only) beginning next week.

Rationale and other details:

1. It is only possible to allocate a small percentage of lockers to ensure compliance with Covid protocols. We will not be issuing lockers to other year groups before mid term break but access is constantly reviewed.
2. Priority is being given to 1st years as:
 - they have a greater number of subjects than any other year group and
 - they are younger
3. Access to lockers is strictly restricted to the times indicated below to minimise disruption to other classes
4. There will be a €10 rental charge payable on assignment of locker
5. Each student must provide their own lock and key.

Location of Lockers:
