
Aim of tonight

1. Provide students/parents with first-hand information about careers of interest.
2. Provide students/parents with opportunities to discuss various access routes to chosen careers with people actively working/studying in those areas.
3. Encourage students to consider a number of career options.

The night will be structured as follows:

1. Ms Jane Byrne, Guidance Counsellor, will outline the CAO and career path choices relevant to students for parents. This compliments the ongoing work that Jane does with our students.
2. Volunteer Career speakers:
 - will be assigned a classroom teamed with others in the same or similar profession/trade/business.
 - will give a short 3-5 minute presentation based on:
 - What the profession/trade/business currently entails and the opportunities it presents.
 - The challenges faced in the profession/trade/business.
 - The access route to this career option and alternative routes to the same career.
 - The future of the profession/trade/business.
 - Any other relevant info.
 - This will be followed by a Q & A session.
 - There will be 3 rotations, one every 25 minutes, in order that students can see 3 separate presentations.
