Dear Parent/Guardian,

We are delighted to inform you that following our entry procedures, your son has been successful in gaining a place on the Transition Year Programme for the year 2021/2022. We would like to thank him for completing his application form online

In agreeing to accept this place your son must be willing to engage fully in all aspects of the programme. He must realise the value of being attentive and the importance of independent, self-directed learning. If behaviour during activities etc. is deemed unsuitable each student can be asked to leave the programme and return to 5th year where necessary. Other behavioural sanctions may include withdrawal from activities during the year.

This offer must be accepted or rejected by Friday 19th February at 4pm at the following link. http://bit.ly/3rMYbHV We will also send you this link by text message for your convenience.

We would like to emphasise that TY students are given two blocks of work experience opportunities. The proposed dates for these will be confirmed towards the end of the current school year. It is the responsibility of each student to secure their own work placements. Students are encouraged to seek worthwhile placements that relate to their career interests and to try and secure and plan for these as soon as possible.

We wish to remind you that €500 will be requested to cover T.Y. costs. Details in relation to the TY fee and payment structure will be sent to you at a later stage in this school year. If there are any concerns with payment of deposit etc. whenever they are due please do not hesitate in contacting the office.

Finally, we trust that your son will enjoy and appreciate all opportunities presented to him. It is important to note that we have offered your son a place based on his excellent application form. Your son's attitude and discipline record will be closely monitored when we return to school. In the event of a deterioration in either we may have to re-evaluate your son's offer of a position in TY. Congratulations and well done to your son on his application form.

We look forward to an enjoyable and productive year in TY.

Yours sincerely,

Mr. Leigh O'Brien	Mr. Tony French	Ms Sharon Furlong
